Date: 11 October 1974  
Item No.: WHSR #1

DIRECTOR: WHITE HOUSE SITUATION ROOM

25X1

SUBJECT: THE MILITARY SITUATION IN SOUTH VIETNAM

Fighting has eased in the northern provinces and little military action is taking place elsewhere. Local clashes could occur along some coastal provinces as the rice harvest begins. Communist attacks in the Ben Cat area north of the capital are not likely to resume soon because the government region commander has called off plans to push further into communist-held territory west of recaptured Base 82.
